1 Introduction

1.1 Welcome Note

Association *RA Motosport* has purposefully worked to achieve the goal of bringing international rally to Latvia. I am very pleased that the hard work has paid off and Latvia can host the *FIA European Rally Championship* event.

The second event of the season will be run on the snow covered roads of Liepāja and Ventspils and will ask for the maximum concentration and skill of the drivers. It will also be a great challenge for organizers to push the limit and organize an amazing winter rally. As well as a great opportunity for all the spectators in the Baltic States, to take part and to eye witness top class rally drivers so close to their homes.

I would like to use the opportunity and express my gratitude to the government of Latvia, for the substantial financial support, which was the focal point for *FIA European Rally Championship* event to happen. I would also like to thank municipalities of Liepāja and Ventspils for collaboration and provision of the necessary facilities, as well as warm accommodation for all of us.

Let the fastest duo win!

Rally Liepāja-Ventspils Director

Raimonds Strokšs

12 Host Cities

12.1.1 Welcome to Liepāja

Liepāja has a special relationship with the road rally. Liepāja is the place, where almost fifty years ago the foundation of the Latvian rally culture was laid and the first rally races were organized. At that time many people did not know anything about rally and its organization, but they were enthusiastic and willing to yield to this temptation of engine roaring and adrenalin.

I myself come from a family, where rally traditions and values are highly prized – my father Mārtiņš Sesks is a rally specialists and one of the founders of this sport in Latvia and both I and my children continue to share this passion.

Thus I am truly pleased to welcome so many professional and experienced highest class sportsmen in Liepāja. I am sure that the rally in the Liepāja neighbourhood will be exciting and brisk and will ensure the possibility to show the best performance both for pier sportsmen and spectators. I just want to wish to you all, what we usually wish to all motorsportsmen in Latvia – break a ditch!

Chairman of the Liepāja City Council

Uldis Sesks

Liepāja is the third largest city in Latvia, a city of successful changes as the people living here on the stretch of sand between the amber sea and the lake for more than 750 years have always been tough, wise and daring. Liepāja has industrial production of both delicate lingerie and hard metal products. Liepāja ice-free port has both successful commercial activity within special economic zone and yacht port for tourists.

Welcome to Liepāja, a city that sounds!

12.2 Welcome to Ventspils

Organization of one of the stages of the FIA European Rally Championship in Ventspils is both a great honor and a challenge. It is an honor to the Ventspils City that its potential is considered and evaluated as suitable for the venue of the European level international competition. And it is a challenge to the professional readiness, skills and responsibility of the city services to contribute in successful organization of the event.

Alignment with the international circles in different areas of city life and work organization is an ambition worthy of the Ventspils City. This event makes us to improve our skills, to develop our knowledge and to learn from the experience of other's and from co-operation and not to sink in self-contentment.

The inhabitants of Ventspils are hospitable people – good rest and pleasant mood will be guaranteed!

I wish to all rally participants an outstanding individual performance, but to the spectators – an exciting competition!

Chairman of the Ventspils City Council

Aivars Lembergs
