1 INTRODUCTION

1.1 Organizer's speech

Welcome!

Round 4 of the 2013 Latvian Rally Championship Rally Talsi will start a new chapter of the championship. After three winter events in Liepāja, Ventspils and Gulbene, Rally Talsi will give drivers the opportunity to leave their studded tires in a garage and proposes a whole different road conditions, though fast and challenging.

Rally Talsi will commemorate an anniversary, as this will be the fifth year when it bears the title of Rally of Champions. As tradition says, the rally will host multiple N4 group champions of the region whom will be challenged by the always fast and competitive local and neighbouring drivers. For two days the drivers will have the opportunity to showcase their skills and earn the sympathy of spectators.

Given the opportunity, I would like to express gratitude to the city of Talsi, who made it possible to allocate considerable financial funds, so that rally drivers already could start the rally and fight for the title of Rally of Champions.

Let them champions fight!

**Rally Talsi rīkotājs,
Raimonds Strokšs**
