# RALLY LIEPĀJA

31.01.–02.02.2014. LATVIA

## 1 Introduction

### 1.1 Welcome note

Enthusiastic and unselfish team work resulted in the round of the *FIA European Rally Championship – Rally Liepāja-Ventspils*– at the beginning of 2013, and after the event an offer was made to organize this European level competition in Latvia for three more years. I truly hope that within this period rally will acquire the status of a tradition and will become one of the most significant and expect yearly events in Latvia.

The 2nd round of *the FIA European Rally Championship* in the Liepāja and Kuldīga neighbourhood will comprise stages with variable snow and ice road surface requiring stud tires, which allow the cars to achieve especially high speed. Several stages are envisaged during the dark time of a day; thus, crews will have to demonstrate their best skills balancing on the margin of maximum risk in order to cover the cunning rally curves not only precisely, but also fast without losing precious seconds. This year we have

changed the rally planning, and I hope that these changes will to greater extent ensure the possibility for spectators to enjoy rally and to experience unforgettable impressions not only in stages, but also beyond.

I would like to use the opportunity and express my gratitude to State of Latvia for provided support that will ensure that for the next three years a competition of such scale will be organized at home, in Latvia. Gratitude goes to rally city Liepāja that made it possible to welcome all the fastest European drivers for the second year in a row.

**Rally Liepāja Director, Raimonds Strokšs**

### 1.2 Itinerary

The total distance of the *Rally Liepāja* is 883 km and the 12 special stages will cover 240 km of competitive driving. The rally weekend will start on Friday, January 31, with qualifying stage, start position selection and ceremonial start. Saturday, February 1, will host the first six special stages in Kuldīga neighbourhood, as well as award ceremony of the winners of Round 1 of the *Latvian Rally Championship*. The final leg of the rally on Sunday, February 2, will be run in Liepāja and Kuldīga regions and will conclude with the rally prize giving Ceremony in Liepāja Promenade.

## 1.4 Welcome to Liepāja!

Liepāja is a city that is proud of its long-standing motorsports traditions, which started back in 1965. Today we can be proud that for a second year in a row we will host a round of the European Rally Championship.

It will be a great challenge for Liepāja to welcome European level competitors and supporters. At the same time it will be an invaluable gain, allowing the city to strengthen its place in the rally calendar. In turn, this will ensure the recognition of Liepāja as a city that welcomes entrants with challenging roads and spectators with exciting competition.

Our previous experience shows that Liepāja knows how to organize a world-class rally festivity both for participants and for spectators. Thus, I hope that the *FIA European Rally Championship* event *Rally Liepāja* will become yet another step closer to bringing to city an event of a world-class

scale. It is another step closer for Liepāja to become a rally capital like Jyväskylä in Finland that during the *1000 Lakes Rally* becomes a Mecca welcoming rally competitors and spectators from all over the world.

I am confident that the rally around Liepāja will be challenging and exciting enough to motivate each and every participant to put their best skills in use for evaluation by both the rivals and the spectators.

**The Chairman of the *Liepāja City Council*,**

**Uldis Sesks**
